Stori Santes Dwynwen

Mae Dydd Santes Dwynwen yn cael ei ddathlu yng Nghymru ar 25 Ionawr i'w choffáu fel nawddsant cyfeillgarwch a chariad.

Roedd Dwynwen yn byw yn ystod y 5ed ganrif ac yn ôl yr hanes, cwmpodd Dwynwen mewn cariad á Maelon Dafodrill, ond yn anffodus, roedd ei thad eisoes wedi trefnu iddi briodi rhywun arall.

Rhedodd Dwynwen i'r goedwig, lle gweddiodd i Dduw ei rhyddhau o'i theimladau am Maelon. Ar ôl disgyn i gysgu, ymddangosodd angel gan geisio dileu pob atgof o Maelon ac i'w droi yn ddarn o ia.

Yna rhoddodd Duw dri dymuniad i Dwynwen. Yn gyntaf, gofynnodd am ddadmer Maelon; yn ail, y byddai Duw yn ateb gobethion a breuddwydion gwir gariadon; ac yn drydydd, na fyddai hi byth yn priodi. Cyflawnwyd y tri dymuniad, ac fel arwydd o'i diolch, ymroddodd Dwynwen ei hun i Dduw am weddill ei hoes.

St Dwynwen's Story

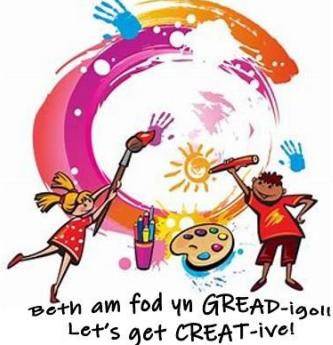

St Dwynwen is the Welsh patron saint of lovers and is considered the Welsh equivalent of St Valentine.

Dwynwen lived during the 5th century and fell in love with prince called Maelon Dafodrill. Unfortunately, Dwynwen's father had already arranged a marriage with someone else.

Dwynwen was so distraught she couldn't marry Maelon that she begged God to make her forget him. After falling asleep one night, Dwynwen was visited by an angel, who gave her a potion that would erase all memory of Maelon and turn him into a block of ice.

God then granted three wishes to Dwynwen. Her first wish was that Maelon was thawed; her second was that God would answer the hopes and dreams of true lovers; and her third wish was that she should never marry. All three wishes were fulfilled, and as a mark of her thanks, Dwynwen devoted herself to god for the rest of her life.
