Ready Set Ride

British Cycling have created HSBC UK Ready Set Ride, with free, quick and easy games to help you teach your child how to pedal – having lots of fun along the way.

The pack is targeted at parents/carers. Please feel free to share.

Children can start at any age and there is no pressure to start pedalling on the first go. In fact, you don't need a bike or any cycling knowledge to get started. Plus there is lots of helpful information about bikes, knowing when your child is ready to ride and how you can use household items to play any of the games in your own home.
